Cool Calm Collected

June 14- August 17, 2012

Danese is pleased to announce a summer group exhibition, *Cool Calm Collected*. The opening reception will be held from 6 to 8 pm, Wednesday, June 14 and the exhibition will continue through August 17, 2012.

The exhibition includes works in a variety of media by 19 artists who respond to the opposing claims of Minimalism and Expressionism. While clearly abstract and reductive, these works are at once poetic and contemplative. Whether inspired by the natural world or the human condition, they collectively function as an extension of the universal spirit.
